

Dr. Ing. Leonardo Bonini INGEGNERIA della SICUREZZA, AMBIENTE e della QUALITA'

BULLETIN No. 2 / 2012

LOCKS PANIC "NOT MARKED CE" EXTENSION:

Changed the term of the Ministerial Decree of 3 November 2004 concerning the installation and maintenance of devices for opening doors installed along the escape routes with respect to safety in case of fire.

The publication in the Official Gazette No. 299 of December 24, 2011 Decree of December 6, 2011 has extended the previous two-year period for the replacement of the devices, which do not bear the CE mark to open ports manually installed along the escape routes.

Article 1

1. Art. 1 of Decree of Minister of November 3, 2004, the words "for the purpose of issuing the certificate of fire prevention" are replaced by 'Annex I to the Decree of the President of the Republic August 1, 2011, No 151. "

Article 2

1. Art. 5 of the Decree of the Minister of the Interior November 3, 2004, the words "six years" shall be replaced by "eight years". Cases that are firm and 'planned replacement of the devices manually opened ports installed along the escape routes and the obligation to ensure the preservation of their original functionality, referred to in that Article. 5, even sworn by a qualified engineer.

The new term was thus established to 18/02/2013.
