BULLETIN N ° 3/2016

SISTRI: DECEMBER 31, 2016 EXTENSION OF THE DEADLINE FOR THE REGISTRAR AND LOAD DISCHARGE AND 1 JANUARY 2017 THE DEADLINE FOR THE IMPLEMENTATION OF EMISSION CONTROLS

The Council of Ministers of 23 December approved the "Milleproroghe decree" within which it is planned to extend by one year for adaptation to Sistri, ie the period within which continue to apply the obligations and requirements management traditional and related penalties (arts. 188, 189, 190 and 193 pursuant to Legislative Decree no. 152/06 in the text in force prior to news of the Legislative Decree no. 205/2010).

Therefore until 31 December 2016 it will still be allowed to electronically seal the records of loading and unloading and the accompanying forms of waste transported.

The concessionaire of Sistri is also guaranteed compensation of production costs amounted to 31 December 2016, after evaluation of the adequacy of the Agency for Digital Italy. It shall be extended to 1 January 2017 the deadline for the application of emission limits for industrial plants to allow the upgrade of the authorization by the competent Authority.

It also expressly provides that in the same period do not apply sanctions related to the proper use of SISTRI.
