

Dr.Ing. Leonardo Bonini INGEGNERIA della SICUREZZA, AMBIENTE e della QUALITA'

BULLETIN N.4/2016

DIRECTIVE PED: ENTRY INTO FORCE OF DIRECTIVE 2014/68 / UE

By 28 February 2015 have been implemented the laws relating to the classification of fluids in Art. 13

By July 18, 2016 will be implemented the provisions relating to the other Articles

The application of the new Directive will be mandatory from July 19, 2016.

The main difference concerns the categorization of fluids. The previous directive followed a classification in accordance with Directive 67/548 / EEC, which was replaced by EC Regulation 1272/2008 (CLP) on 01/06/2015.

The remaining differences are in a better definition of the roles of traders involved and some changes in the names of modules for the conformity procedures.

The certificates issued under the old Directive 97/23 / EC will remain valid in the manner indicated in the new Directive.

Studio **Dr. Ing. Bonini Leonardo** is available for clarification
