BULLETIN No. 6 / 2012

CIRCULAR ISSUED BY THE MINISTRY OF THE INTERIOR DEPARTMENT-FIRE DEPARTMENT-WHICH REFERRED TO: "GUIDE FOR THE INSTALLATION OF PHOTOVOLTAIC SYSTEMS".

It has been issued by the Ministry of the Interior Department-Fire Service Circular No Prot. 1324 of 07/02/2012 which referred to the 'update the guide to install your PV system to activities subject to fire prevention inspections, prepared by a special working group, consisting of experts in the electricity sector.

The guide incorporates the content of the DPR August 1, 2011, n. 151 and takes into account the various issues arising from the device after the installation of photovoltaic systems. This guidance replaces that issued a memorandum prot. No. 5158 of 26 March 2010. The circular sets out how to be prepared and forwarded to the Provincial Command of the Fire Department of jurisdiction over the photovoltaic system installed in the new decree came into force in October 2011.

If you have a photovoltaic system to contact the firm to request an analysis and study of your business situation from a professional.
